

## Rain Pours testo corretto

Tell me that you need me,  
I won't let you go.  
You're the only one,  
I've been thinking of.

Show me every secret,  
you won't be alone.  
In your darkest hour,  
I'll switch the light on.

Even if the rain pours,  
just let it overflow.  
I'll be holding on,  
every time you're lost.

Show me every secret,  
you won't be alone.  
In your darkest hour,  
I'll switch the light on.

when  
you need me,
